Grades

The deadlines for posting grades at Emmanuel may be different from those at your home institution. *****If you are planning to graduate from your home institution in DECEMBER**, please note the due date of Emmanuel's final grades. If your home institution has a different due date for final grades, please speak with your Emmanuel instructor as soon as classes start to ask if they will be able to submit your final grade by that date. This is imperative, as it could interfere with your degree completion if this is not clarified ahead of time with your Emmanuel instructor.

Add/Drop Period

Before attempting to add into a class, please call the Registrar's Office at 617-735-9960 to see if there is space available. COF students wishing to add or drop a course must adhere to Emmanuel's deadlines. The add-drop process for a cross-registered course involves both the host and home institution. The student must complete an add-drop form from Emmanuel's Registrar's Office, email to regmail@emmanuel.edu and copy their home institution's registrar office. The process is not complete until both institutions have been notified.
