Grades

The deadlines for posting grades at MassArt may be different from those at your home institution. *****If you are planning to graduate from your home institution in May**, please note the due date of MassArt's final grades. If your home institution has a different due date for final grades, please speak with your MassArt instructor as soon as classes start to ask if they will be able to submit your final grade by that date. This is imperative, as it could interfere with your degree completion if this is not clarified ahead of time with your MassArt instructor.

Add/Drop Period

Before attempting to add into a class, please call the Registrar's Office at 617.879.7272 to see if there is space available. COF students wishing to add or drop a course must adhere to MassArt's deadlines. The add-drop process for a cross-registered course involves both the host and home institution.
